

Product Name
ILT Z-Wave Interfaces

Product Part #
1870171

Product Category
Interfaces

DESCRIPTION

The ILT Z-Wave interface integrates Z-Wave wireless control of motorized window coverings powered by Somfy LT motors.

FEATURES

- Compatible with Sonesse™ 50 ILT and Sonesse™ 30 RS-485 motors
- Allows communication with all Z-Wave controls including: hand-held remotes, wall switches, dimmers and PC controls
- Plug-in design allows a simple connection with 2-way communicating motor head and installs in minutes
- Device does not require any external power
