Re: Letter of Commendation

Ken,

As the architect of record for the campus in Orlando, Florida, I want to take this opportunity to compliment you on the product and workmanship Albert Herman Draperies performed on this mission-critical facility. You and your team went above and beyond in evaluating our needs, offering various window treatment options, and assisting us in evaluating each of the options. Your team professionally manufactured, delivered, and installed your EcoGreen Solar Shades under some extremely tight construction timelines.

Your product is truly superior to anything we've seen at other government or commercial facilities. Normally we can expect two of the three; cost, schedule, or quality; but you provided great service in all three areas! I will not hesitate to specify your EcoGreen Solar Shades on any of our future projects and will highly recommend Albert Herman Draperies to my colleagues. Thank you again for supporting the Veterans Affairs.

If you have any questions please feel free to contact me by phone at (828) 315-9962 or by e-mail at ed.henson@atriaxgroup.com.

Sincerely,
